

RUC Collect

RUC collect enables you to simply and easily claim back & refund your off-road RUC travel. No more paperwork, geofences or expensive hardware needed.

Claim back your off-road Road User Charges

The screenshot shows the RUC Collect web interface. At the top, there are four tabs: License Tickets, Reconcile Licenses, Claim Licenses, and Claims History. Below the tabs, there is a search form with fields for Asset search (a dropdown menu), RUC License No., Start Date, From Hubodometer, and To Hubodometer. A blue SUBMIT button is located below the search fields. Below the search form, there is a table with columns for Asset, RUC License No., Start Date, and Distance (km). The table currently displays "No data available in table". There are also search columns and pagination controls at the bottom of the table.

Previously, undertaking off-road claim backs has been a difficult and time-consuming process for your drivers and admin staff. RUC collect enables you to simply and easily claim back your off-road RUC usage automatically with no set up required. No more paperwork, geofences or expensive hardware needed to get your refund from NZTA.

Features

- Automatically calculates your off-road usage.
- Easily and quickly generate electronic RUCOR claims.
- Your claims history is securely stored online in PDF.

Benefits

- Get an RUC refund – don't pay for what you don't use.
- Easy and simple to use, does all the processing for you.
- Automatically fills out the NZTA electronic RUCOR form ready for paperless submission – quickly get your refund.
- Save heaps of time for your drivers and admin. Let your drivers focus on what they do best – driving!
