RUC and Registration purchasing made easy

The screenshot shows the 'Smart Renew' interface in the ARGUS TRACKING system. It includes a search bar, a filter dropdown set to 'All Assets', and a table of vehicle details. The table has columns for Name, Rego, RUC Purchasing On, RUC to Buy (km's), Purchase RUC's in advance of (km's), Rego Purchasing On, Rego to Buy (Months), and Address for label dispatch. Each row represents a vehicle with its respective settings and a search address field.
